**Atlantic City, NJ – May 11, 2011:** The ACES (Atlantic City Express Service) train, connecting New York and Atlantic City, has announced its summer schedule, effective May 13.

“ACES is committed to offering our riders a variety of options to make the most of a weekend getaway,” said Jennifer Weissman, Regional Vice President of Marketing for Caesars Entertainment. “With this new summer schedule, more travelers will be able to ride conveniently between New York and Atlantic City again. We look forward to another great summer which is already jam-packed with concerts, festivals and events taking place at Borgata, Caesars and Harrah’s Resort.”

The joint venture partnership between Caesars Atlantic City, Harrah’s Resort Atlantic City and Borgata Hotel Casino & Spa remains committed to ACES, which has proven to be a valuable marketing tool not only for the partner properties, but for Atlantic City.

With only one stop in Newark, the two-and-a-half hour ACES trip offers passengers upgraded leather seating, both first- and coach-class travel experiences as well as a lounge available for private booking. First-class seating is found on the upper deck of the train and features seat-side food and beverage service. Purchase of the lounge offers customers four seated tickets with the opportunity to invite friends along to socialize in a relaxed atmosphere complete with four plasma televisions, table-top space and group seating.
